## Dear Parents, Coaches and Volunteers

### March 2008

Welcome to another season of baseball. We are proud to announce that we are the recipients of a Lake of the Woods Community Foundation Grant. We have been busy meeting to provide you with a great season starting with Baseball Camp, Coach Certification and possibly Umpire Training. We hope to exceed last year's registration of 280 young ball players and we were excited to see so many newcomers to this awesome sport. We encourage all parents, coaches and

guardians to read our Newsletter and find out the current happenings in the Tri Municipal Minor Baseball League (TMMBL)

### Tag Days

Tag Day is tentatively scheduled for May 24, 2008. All Rookie and Atom teams are required to participate as this is a fundraiser for Minor Baseball. Please keep in mind that not only is this a Minor Baseball tradition, it is one way that we can get our sponsors recognized by having the baseball players around town wearing their T-shirts. Proceeds from Tag Day are used to purchase new equipment and to help keep our league fees reasonable. A volunteer is required to spearhead this event. If you are that volunteer please contact Denise @ 468-4181. Thank you.
