I am very excited to be back in Kenora and looking forward to once again working with Sandra Ferrara-Bond my team coach, and with our newest staff member Lauren Mack, who along with school and her own skating schedule, has completed her CanSkate Training this summer. Skate Canada is introducing their new CanSkate program and will be officially launching it Sept. 2014. Lauren, Sandra and I have been certified in the new CanSkate program and have the opportunity for our club to begin it this year. We are so excited to be offering the number one, learn to skate program in the country and are looking forward to watching your skaters progress through this program.

Just a few reminders: The arena is a public place and we ask that you remain at the rink or appoint another parent in case your child must leave the ice to go to the washroom, etc. We do not want

your child leaving the ice without someone being there with them.

We will be having special days throughout the year, with our first one being our Halloween Party. Due to the fact that Halloween is on a Thursday this year, we have cancelled that evening of skating for our Pre CanSkate and CanSkaters & Learn to Figure Skate programs. **We will be having our Halloween party on Tuesday Oct. 29 and our Thursday session will have their Halloween Party on Wed. Oct. 30 with Learn to Figure Skate 4-5 P.M. , Pre Canskate 5:05 – 5:35 P.M. & Canskate 5 – 545 P.M.**

To our STARSkaters: Please check the webpage at www.skatinginkenora.com. All of our test dates and competition dates have been posted. I will post reminders of deadline dates for competitions on this page. We are in for a busy year and the start of some new and exciting programs.

REMEMBER “PROGRESS IS A PROCESS”. ALL SKATERS PROGRESS DIFFERENTLY. SKATING IS AN INDIVIDUAL SPORT SO ALWAYS BE COMPETING AGAINST YOURSELF.
